

Science

We follow the AQA KS3 Sol

We deliver the content using a spiral curriculum method

Y7	Matter	Y8	Organisms 2
	Organisms		Reactions 2
	Earth		Forces
	Reactions		Matter 2
	Electromagnets		Eco-systems
	Genes		Energy
	Waves		Genes2

We follow the AQA Trilogy and Separates Sol

Y9	Atomic structure and periodic table	Y10	Coordination and control
	Cell Biology		Energy changes
	Energy		Forces
	Photosynthesis		Rate and extent
	Bonding		Electromagnetism
	Electricity		Hydrocarbons
	Moving and changing materials		Atmosphere
	Chemical quantities		Sustainable development
	Particle model		Atomic structure
	Health Matters		Ecology

Y11	Genetics
	Variation and evolution
	Waves
	Chemical analysis
	Revision
