Being a Church of England School

FAITH • COMMUNITY • OPPORTUNITY • FOR A BRIGHTER TOMORROW

Being a Church of England school at All Saints means that our Christian foundation helps shape the way we care for one another, learn together and serve our community. At the heart of this are our three values: **Love, Legacy and Bravery**. They guide how we treat each other, the choices we make and the kind of people we hope our pupils will become.

Love
CARE FOR ONE ANOTHER

Legacy
MAKE A POSITIVE DIFFERENCE

Bravery
HAVE THE COURAGE TO GROW

We are proud to be an inclusive school, welcoming families of all faiths and none. Collective worship and opportunities for reflection and spirituality are part of school life, but we recognise that our faith may not be shared by everyone. Participation is approached sensitively and respectfully, and parents have the legal right to withdraw their child from collective worship. For us, spirituality is also much broader than religious belief – it is about giving young people opportunities to reflect, wonder, ask big questions, develop their own beliefs and think about their place in the world.

Our Church of England identity therefore isn't about expecting everyone to believe the same thing. It is about creating a community where everyone is valued, where pupils are encouraged to show **Love**, build a positive **Legacy** and have the **Bravery** to grow, question and make a difference. You can find out more below through our Collective Worship Policy, Spirituality for Parents information and the Theological Basis that underpins our values and approach.
